PROFESSIONAL SUMMARY

Senior Credit Risk and Underwriting Specialist with over 15 years of cumulative experience across institutional commercial banking and regional Southeast Asian FinTech lending. Deep expertise in SME and commercial credit underwriting, financial statement analysis, debt capacity modeling (DSCR), and digital risk scorecard calibration. Proven track record in structuring complex borrowing facilities, conducting rigorous field due diligence, managing covenant compliance, and maintaining low portfolio default rates across Maybank, CIMB Niaga, Bank Mega, and Aspire SEA.

CORE COMPETENCIES

- Credit Risk Underwriting & Facility Sizing (SME, Commercial & Digital Lending)
- Financial Statement Spreading, Ratio Analysis & Debt Service Modeling (DSCR)
- Delinquency Mitigation, NPL Prevention & Early Warning Systems
- Cross-Functional Product Collaboration & Automated Decisioning Logic
- Working Capital Financing & Cash-Flow Lending Analysis
- Digital Risk Scoring & Credit Policy Parameter Formulation
- Borrower Due Diligence, Collateral Perfection & Legal Binding
- Commercial Client Relationship Management & Stakeholder Relations

PROFESSIONAL EXPERIENCE

Credit Analyst (Business Loan & Advance Card)

Aspire SEA

Jul 2019 – Jun 2025
Jakarta / Regional (Southeast Asia)

- Underwrote SME credit applications across business term loans, advance lines, and corporate credit cards for Southeast Asian digital businesses and high-growth enterprises.
- Evaluated high-velocity credit requests using combined inputs: digital bank statement parsing, alternative data streams, e-commerce cash-flows, and conventional audited financial statements.
- Formulated and adjusted internal underwriting scorecards, balancing approval throughput with low default thresholds during macroeconomic volatility.
- Monitored portfolio-level credit exposure, identifying early warning indicators of distress and recommending proactive credit limit adjustments.
- Collaborated directly with regional product and engineering teams to refine automated risk decisioning engines, eliminating manual verification bottlenecks without compromising credit rigors.

Supervisor Area (North Kalimantan)

PT Bangga Teknologi Indonesia (ADVAN)

Oct 2018 – Feb 2019
North Kalimantan, Indonesia

- Supervised regional distribution networks, retail channel partners, and field sales promoter teams across North Kalimantan.
- Audited dealer credit terms, structured working capital collection cadences, and minimized regional overdue receivables.
- Standardized weekly operational inventory tracking between central distribution hubs and retail partner outlets.

Operations & Retail Business Manager

Mar 2017 – Aug 2018

Warung Vape

Tarakan, Indonesia

- Managed end-to-end commercial operations, retail inventory logistics, and working capital cash cycles for an independent retail enterprise.
- Negotiated direct supplier purchasing contracts, managed retail pricing margins, and maintained disciplined financial accounting.

Relationship Manager (SME & Commercial Banking)

Jul 2012 – Jan 2017

PT Bank Maybank Indonesia, Tbk

Tarakan, Indonesia

- Managed and expanded an active SME and commercial banking loan portfolio comprising manufacturing, trade, services, and local distribution sectors.
- Evaluated, underwrote, and structured complex credit proposals including working capital facilities, letters of credit, and investment financing.
- Conducted comprehensive on-site borrower due diligence, collateral appraisals, verification of tax filings, and audited financial statements.
- Maintained impeccable portfolio quality through rigorous covenant tracking, early default warnings, and annual facility reviews.

Honors: Awarded Best Sales Person RO SME UpCountry (2014) for exceptional credit quality, portfolio growth, and compliance performance.

Account Officer

Oct 2010 – Jul 2012

PT Bank CIMB Niaga, Tbk

Tarakan, Indonesia

- Originated, structured, and recommended credit approvals for commercial and SME clients.
- Performed detailed historical financial statement analysis, projected debt service coverage ratios (DSCR), and evaluated collateral sufficiency.
- Prepared comprehensive Credit Memorandum packages presented directly to regional credit approval committees.
- Coordinated loan documentation, legal perfection of collateral, and drawdown compliance conditions.

Account Officer

Dec 2009 – Jul 2010

PT Bank Mega, Tbk

Tarakan, Indonesia

- Initiated business client assessments, credit documentation checks, and field investigations for commercial borrowers.
- Executed financial spreading, cash flow verifications, and trade reference checks to establish creditworthiness.
- Assisted senior credit heads in monitoring borrower covenant compliance and payment collections.

EDUCATION

Bachelor of Forestry (S.Hut)

2005 – 2009 | GPA: 3.48 / 4.00

Universitas Mulawarman, Samarinda, Indonesia
